WHAT IS AN EL STUDENT?

- Does anyone know? Turn and talk please.
- An EL student is an English Learner—a student who speaks an additional language who is learning English to become proficient.
- Proficient meaning, to read, write, speak, and listen in English at grade level.

HOW Does the School Support My Student in Learning English?

- Once your child is **reclassified**, they are no longer considered an English Learner. They are still monitored by the district and site to make sure they are doing well in classes, but they do not have to take English Learner classes.
- All English Learner Students are provided with classes that support them in learning English.
